

Dewalt DCN660P2 18V XR Cordless li-ion Brushless 2nd Fix Nailer 16Ga (2 x 5Ah Batteries)

Dewalt DCN660P2 18V XR Lithium Ion Cordless Brushless 16 Gauge Framing Nailer with 2 x 5Ah Batteries, battery charger and Carry Case

It's here - the Dewalt DCN660 finishing (or 2nd fix) nailer. The eagerly awaited successor to the DC618 is over 1kg lighter than its predecessor, 20% quieter and has 2.5 x the lifetime. Perfect for finishing and snagging jobs such as skirting, dado, picture rail etc.

FEATURES:

- Benefit from longer runtime, quicker readiness to fire and less recoil
- Brushless motor technology offers the power to fire a 63mm nail into soft wood and 50mm nail into hard wood
- Tool free stall/jam clearance minimises user down time
- Mechanical rather than gas operation offers significant cost savings as well as consistent performance at temperatures between -20 and 50 degrees celcius and minimal cleaning /service requirements
- Protective pads to lay tool down on head
- Durable magazine accepts 32 to 63mm 16Ga nails
- Mode selector allows for bump or sequential nailing
- LED lights with error notification
- Easy tool-free clearing of jams and stall release
- Easy depth adjustment with easy to read gauge

COMES WITH:

- 2 x 5Ah li-ion batteries
- DCB105 Multi voltage XR battery charger
- Belt hook (reversible)
- No mark tip x 2
- Heavy duty carry case
